

USSSA Fastpitch Post Season

Qualification Guidelines

Direct Qualification Through Events

At the conclusion of designating qualifying events (based on stature) the system will identify and award the appropriate teams with a Qualified designation. The following is the criteria being used:

1. Event Statures to Award Berths:
 - a. One Day Tournament
 - i. Top 20% of teams that are unqualified will receive a berth
 - ii. Team must be at or above .500 in the event
 - b. Qualifier
 - i. Top 25% of teams that are unqualified will receive a berth
 - ii. Team must be at or above .500 in the event
 - c. NIT
 - i. Top 30% of teams that are unqualified will receive a berth
 - ii. Team must be at or above .500 in the event
 - d. State
 - i. Top 30% of teams that are unqualified will receive a berth
 - ii. Team must be at or above .500 in the event

At-Large Qualification

There are two processes by which a team can gain an At-Large USSSA Post Season berth:

1. USSSA Points: Teams can earn an At-Large by participating in USSSA events throughout the season. If a team earns 150 Points through USSSA participation they will automatically be granted an At-Large Berth
2. State Director Application: A team can apply for an At-Large Berth with their State Director. For a team to be given an At-Large Berth by their State Director, it is recommended that they accrue a minimum of 4 USSSA Event Credits. USSSA Event Credits are earned by Stature of the event:
 - a. League/One Day Shootout/Qualifier = 1 Point
 - b. NIT = 2 Points
 - c. State Championship = 3 Points
3. For Teams located in an area without a State Director, they can apply to the USSSA National Championship director by emailing <add email for this position>.
