

USSSA Point System

USSSA Points are awarded based on a team's order of finish in any USSSA Event (League, Qualifier, etc.) These points are used to rank teams in their state, region, and nationally. These points are also used as seeding for State and World Series tournaments.

Place	World Series	National Tourney	State Tourney	NIT	State Level II	Qualifiers	Non Qualifiers
1st	650	300	300	225	100	75	40

All teams participating in a USSSA Sanctioned League earn 100 points							
All teams participating in "College Exposure Tournament" earn 100 points							

Double Point Weekends

States are given the opportunity to host two "DOUBLE POINT" weekends, where all tournaments in that state will offer double the normal points allotted. If an NIT tournament were to happen on a Double Point Weekend, the winning team would end up with almost 6 X the total amount of points for a regular Qualifier tournament.
